

The Center for Case Management has openings for experienced Interim Directors of Case Management, Master's or Bachelor's degree are preferred and relevant to specific roles. Please submit your CV for consideration to Sue Wilson Hall at swilson@cfcmm.com

Introduction: The Center for Case Management specializes in providing *current case management experts* to the healthcare industry. It is what differentiates us and makes us so helpful to our clients. So if you are job-hunting, recently retired, working part-time, or on sabbatical, we hope you will consider joining us as a subcontractor. We cannot guarantee specific numbers of days of work, but we will try to give you as much time as you want to work. Daily professional fees are negotiable, depending on the depth and breadth of your experience.

We are actively seeking Interim Directors, who are ready to say YES.

You will receive FULL SUPPORT from us:

- Every CFCM contract is led by a CFCM executive
- Interim Directors receive weekly support from our Director of Clinical Services
- Learn how to provide strategic planning for the future of case management
- Gain access to almost 30 years of case management knowledge and know-how!
