RE: New Position Announcement

Good afternoon team! With your help The Center has experienced significant success and growth since we became CFCM 2.0! I know that you all had an opportunity to review our annual report and want to let you know that our journey continues at the same and possibly even a greater pace! We have been providing more evaluations in the ambulatory settings and extreme growth in requests for training! Because of you our reputation remains stellar as we follow in the footsteps of Karen and Kathy.

This growth has allowed me to expand our leadership team and I am beyond excited and pleased to announce that Debbie Zeveney has accepted the position as Director of Clinical Operations. A little bio about Debbie (in case you didn't read it on the site)

With over 40 years in healthcare, and 30 years in Case Management, she has developed significant knowledge in this industry. Before joining The Center for Case Management, Ms. Zeveney served as a Director of Case Management and Clinical Documentation Improvement for HCA West Florida Division. Earlier, she has served in a variety of roles in Case Management, Nursing and Education in acute care and insurance settings. Debbie graduated from the Geisinger Medical Center School of Nursing with a Diploma in Registered Nursing and from St. Joseph's College, Maine with a BSPA in Health Administration. She earned a Master of Science in Rehabilitation Counseling from the University of Scranton.

Debbie will begin her full time role as Director on June 1, 2019. She will be providing support in the following manner:

1. Continued focus on implementation projects (currently Debbie will be beginning a 4 month project with Texas Childrens Hospital, this will be 3 days per week, offering her time 2 days a week for other responsibilities)
2. Oversight of Assessments and Implementation Projects
3. Support to Interim Leaders
4. Speaking on behalf of The Center for Case Management
5. Supporting the growth and build of current and future service lines.

Please join Sue, Prathima, Kathy and myself in congratulating Debbie!
